

MKE 2 P-C

Microphones | Lavalier Microphones

Cat. No. 004224

General Description

The MKE 2 P-C is a high-quality, sub-miniature clip-on lavalier microphone which has a multitude of applications where other clip-on microphones prove too obtrusive because of their larger size. It fulfils the most stringent sound quality demands and is extremely robust. The MKE 2 P-C is suitable for both speech and instrument miking applications in all areas of live work. It can be directly attached to equipment with 12 – 48 V phantom powering. Colour: matt black.
