

- ✓ Stereo
- ✓ Closed earcups
- ✓ Dynamic
- ✓ Ideal for drummers

Design:	ear-enclosing, closed, rotatable auricles
Driver:	57 mm Ø
Frequency range:	20 – 20.000 Hz
Sensitivity:	110 dB
Impedance:	32 Ω
Rated load capacity:	2000 mW
Cable length:	3 m
Connector:	3.5 mm phone plug and 1/4" adapter
Weight without cable:	244 g

**Intended use**

This device is intended to be used to convert electric signals to acoustic signals near the ears. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

**Danger for children**

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts from the product. They could swallow the pieces and choke! Never let children use electrical devices unattended.

**Possible hearing damage**

The use of headphones or earphones at high volume and for an extended period of time may result in permanent hearing impairment. Set the volume of your audio device to a medium value and do not use the headphones or earphones for more than about an hour a day.

**Danger to life by distraction**

Using earphones or headphones may divert your attention from the environment. Ambient noise may not be audible. Do not use the device in road traffic or when operating machinery.

**Disposal of the packaging material**

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose these materials with your normal household waste, but make sure that they are fed to a recovery. Please follow the notes and markings on the packaging.

**Disposal of your old device**

This product is subject to the European Waste Electrical and Electronic Equipment Directive (WEEE) in its currently valid version. Do not dispose of your old device with your normal household waste. Dispose of this product through an approved waste disposal firm or through your local waste facility. Comply with the rules and regulations that apply in your country. If in doubt, consult your local waste disposal facility.
