

SILVER DUSTER

DESIGNATION

silver polishing/dusting cloth ... with tarnish preventive

PROPERTIES

An impregnated cloth that removes tarnish and restores a long-lasting shine to silver.

INSTRUCTIONS FOR USE

Gently but thoroughly buff silver to impart the tarnish preventive.
Cloth is not to be washed.

INGREDIENTS

100% scratch-free/high quality cotton, solvents, polishing substances, cleaning compounds.

ADVANTAGES

- Brings back the **shine** to silver **while** you are **dusting**.
- Cleans and protects silver against tarnish each time you dust.
- Wipes away tarnish and restores that beautiful glow to silver.
- Gives silver a new shine.
