FENDER BLUES JUNIOR LACQUERED TWEED

The Blues Junior, a warm-toned favorite, takes our 15-watt tube preamp/power amp platform, wrap it in a lacquered tweed finish and pushes it through a 12" Celestion Vintage 30[®] speaker.

That sound comes courtesy of a pair of EL-84 Groove Tube output tubes and three 12AX7 preamp tubes. Add our renowned Fender reverb, flexible controls, and FAT circuit with footswitch for golden tones, and you're in business.

BLUES JUNIOR™ LACQUERED TWEED
