

Features

- Large seating surface
- Height adjustable from 49 cm to 64 cm
- Max. load capacity: 120 kg
- Weight: 5.5 kg
- Cover: leatherette
- Colour: black

To adjust the seat height, loosen the screw connecting the two cross struts. Pull out the connecting screw and insert it evenly into the hole that corresponds to the desired seat height. Tighten the connecting screw again and check that the keyboard bench is secure before using it.

Intended use

This device is intended to be used as a keyboard bench. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

DANGER FOR CHILDREN

Ensure that plastic bags, packaging, etc. are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts from the product. They could swallow the pieces and choke!

The plasticiser contained in the rubber feet of this product may possibly react with the coating of your parquet, linoleum, laminate or PVC floor and after some time cause permanent dark stains. In case of doubt, do not put the rubber feet directly on the floor, but use felt-pad floor protectors or a carpet.

ENVIRONMENT PROTECTION

Disposal of the packaging material

For the transport and protective packaging, environmentally friendly materials have been chosen that can be supplied to normal recycling. Ensure that plastic bags, packaging, etc. are properly disposed of. Do not just dispose these materials with your normal household waste, but make sure that they are fed to a recovery. Please follow the notes and markings on the packaging.
